

Damariscotta Design Charrette

Round Top Barn*

Thursday, October 22

6:30 pm Opening Presentation & Hands-on Community Design Workshop

Friday, October 23

10:30 am Focus Meeting #1 Access to Nature & Culture – Views, Recreation, Arts

1:00 pm Focus Meeting #2 Access to Town – Links between Uses, Needs, & People:
Share your knowledge about Damariscotta's transportation, circulation, parking, bicycling, and pedestrian issues, particularly the bike and pedestrian plan, Gateway 1, and the latest parking management efforts in Downtown.

2:30 pm Focus Meeting #3 Working Locally – Jobs, Downtown, Businesses:
Share your knowledge about Damariscotta's economy, particularly people familiar with current economic activity in town and where new development is expected to go

4:00 pm Meeting with Town Staff & Boards

4:30 pm Walk-about downtown with interested business owners

5:30 pm Public Pin-Up & Review

Saturday, October 24

9:00 am Focus Meeting #4 Understanding Alternatives – Measure & See Outcomes:
There will be a 10 minute presentation introducing the CommunityViz tool and explaining its purpose. Then you will be invited to use the tool on your own to see how the model responds to community values. Multiple computers will be set up for participants to use.

10:30 am Focus Meeting #5 Living Locally – Population and Housing Needs:
Share your knowledge about Damariscotta's population, housing market, and housing needs.

4:30 pm Public Pin-Up & Review

Sunday, October 25

10:30 am Focus Meeting #6 Maintaining Community – Places to Meet, Volunteers, Safety:
Share your knowledge about Damariscotta's sense of community and how to maintain and strengthen it. Topics range from gathering places and the location of institutions important to maintaining a strong sense of community, to how to attract and sustain volunteer engagement, to what is important to maintaining a safe community for all citizens

4:30 pm Public Pin-Up & Review

Monday, October 26

6:30 pm Closing Presentation

Thank you for your participation in shaping the future of Damariscotta.

If the lights are on, come on in to view work in progress!
